

NOURISH YOUR SENSES IN A LUSH VERTICAL OASIS

Artyzen Singapore is a 142-room luxury lifestyle hotel nestled near the iconic Singapore Botanic Gardens and just minutes from Orchard Road. Once the site of Villa Marie, a two-storey mansion built by renowned botanist Tan Hoon Siang, the property has been transformed into a vertical oasis. Featuring trellised columns, lush greenery, and sky gardens, the hotel seamlessly blends Singapore's rich heritage with contemporary design, capturing the city's vibrant colours, flavours, and spirit.
