Do you want to strengthen the ties within the team and are you looking for a successful team-building activity? We will be happy to help you! ## Need inspiration?

### Quiz-tax rally / go-cart

Our quiz-tax rally is a playful activity that every age group appreciates with the typical go-cart, also called a pedal cart, as a vehicle. The group is divided into teams of 4 to 6 people per go-cart and each team is looking for their way with tips from us. Along the way, your general knowledge is tested and the aim is to solve as many questions as possible correctly. To make it even more enjoyable, we serve a refreshing drink and a tasty bite in an original way during the route.

### Sand yacht racing

Do you like the wind, the beach speed? Then you are in the right place in a sand yacht! It is not at all as difficult as it looks. After some brief instructions, you are ready to get into a sand yacht and go beach sailing. Amazing how fast you can race along the beach! A wind force of 25 km/h is enough to reach a speed of 50 km/h with a sand yacht. No engine roar, no exhaust fumes, only the sound of the rolling wheels on the sand and the whistling of the wind in the sails. Blissful, isn't it?
