

Le BEAUVALLON

## LOCATION

# A PLACE FOR THE BOLD, THE CREATIVE AND THE CURIOUS TO CRAFT THEIR OWN STORY.

SOUTH GARDEN, PAVILION AND ROTUNDA

Our sun-drenched sanctuary on the Côte d'Azur first hosted the great, the good, and the glamorous in the Roaring Twenties – and has been shimmering ever since.

Sunkissed terraces, acres of landscaped gardens, and our iconic installation – the Net. Step outside our terracotta façade and you'll find yourself in an entirely new world of artistry.

Champagne and cocktails on the North Terrace followed by dinner and dancing on the South Terrace. Live music under the Net's floral-draped canopy. Fireworks, DJs, light installations – anything's possible in a place that's been meticulously designed by a family who loves to celebrate.

# BEAUVALLON SUR MER

If you're in search of a creative canvas, Le Beauvallon's beach club, Beauvallon Sur Mer, is the place to make your mark. Poolside product launches, all-day birthday barbecues, dining, dancing – or simply a place for some downtime, it combines striking architecture with panoramic views of the bay of Saint-Tropez.

Our private pontoon offers guests a showstopping entrance by speedboat, while the Rotunda remains one of the few places on the Riviera where you can host within arm's reach of the sea.
