What is a Wedding Breakfast?

The wedding breakfast does not mean you are having scrambled eggs on toast. The term comes from the 17th century when weddings were often part of a religious Mass. Couples would fast before the service and the meal after the ceremony broke their fast. It is called the wedding breakfast as this is the first meal you are eating together as a married couple and therefore named after the first meal you would usually have in the day, which is breakfast.

What is the deposit to secure a date?

We ask for £500 as a non-refundable, and non-transferrable deposit to secure the date you require.

What are your payment terms?

We ask for 50% of your balance to be paid 3 months prior to your Wedding Day. Then 14 days before your Wedding we ask that your final balance is paid in full.

Can we have access the day before to decorate?

Access the day before is subject to availability and may come at a cost. If you would like guaranteed access the day before, you are best booking the rooms needed as part of your package. Costs for these can be discussed with your Wedding Co-ordinator.

I trust this information is helpful when planning your wedding. With the Mercure brand, and our dedicated team both before and during the event looking after you, rest assured that we will do all that we can to make your wedding a success.
