ALICANTE

Pure Mediterranean spirit

The old Dominican convent in the historic center of Alicante has been chosen and restored by Hospes to continue breathing the peace and tranquility of times past.

We welcome you to a dreamlike space in the heart of a city bathed in light and by the Mediterranean, inviting you to inspiration and relaxation, as well as to enjoy the Hospes Experience to discover the city and its culture.

Reflecting the city that hosts it, Hospes Amérigo is a succession of events and surprises: the intimacy and originality of its Pasaje, the art and color decoration of each room, the natural ingredients of native and avant-garde cuisine, the serene views of Santa Bárbara Castle from the rooftop pool, or the walks to discover the charm of a genuine and cosmopolitan city.

Location

From Hotel Hospes Amérigo, you can easily walk to two of the most famous monumental buildings in Alicante: the Town Hall and the Co-Cathedral of San Nicolás, both just two minutes away.

If you're looking for the smell of sea salt in the sea breeze and the warmth of the sand on your skin, then your destination is Postiguet Beach, just a 10-minute walk from our hotel.

Fondillón Restaurant

Savor the finest dishes of Alicante's cuisine, prepared with quality local ingredients, in a minimalist atmosphere that stands out for its contrast of colors.

We have a gastronomic proposal for every occasion: a delightful meal at Fondillón restaurant, a tapas tasting at the restaurant's bar, or an evening cocktail with views of the city at the Amérigo Terrace.

Rooms & Suites

Soft colors, natural fabrics, and wooden finishes that illuminate every corner, revealing the essence of Alicante. High ceilings and exquisite decoration with abstract paintings harmonized with the texture of fabrics. Combining a contemporary style with the setting of a restored 16th-century monastery. The rooms at Hotel Hospes Amérigo are decorated with the finest materials

and a distinctly Mediterranean character, and they feature all the details and services for a luxurious and exclusive stay.

80 ROOMS: 51 Dreamer's (with 4 family rooms), 13 Superiors, 2 Superior Triple, 9 Premium, 3 Deluxe, 3 Junior Suite.
