DESCHEVALIERS

Gourmet Restaurant

ANTONIO AUTIERO Resident Executive Chef

NINO DI COSTANZO Consultant Chef

The new gourmet restaurant at de Bonart Naples, Curio Collection by Hilton, where art, culture and Campanian heritage converge into a refined dining experience. Inspired by Totem, a work by renowned Neapolitan artist Sergio Fermariello – who also designed the restaurant's logo – DESCHEVALIERS embodies a journey of discovery and creativity. Guided by the gastronomic vision of Consultant Chef Nino Di Costanzo and led by Resident Executive Chef Antonio Autiero, the cuisine pays deep respect to tradition while embracing innovation, transforming memory, territory, and technique into authentic and emotionally resonant dishes.

The restaurant offers an overall seating capacity of 46 guests, with tables accommodating four and six people.
