# About *Fontenille Collection*

Discover Fontenille Collection, a collection of hotels founded by Frédéric Biousse and Guillaume Foucher, combining the French art of living with cultural discovery, gastronomy, well-being, simplicity, and elegance. Giving meaning, understanding and enhancing local terroirs, and preserving heritage are at the heart of the collection's philosophy.

Fontenille Collection offers a distinctive journey, both physical and intellectual, sensory and initiatory. It is a geographical and historical voyage where centuries converge, distances fade, and landscapes unfold, from the cliffs of Menorca to the hills of the Luberon, from the Calanques of Marseille to the rolling countryside of Tuscany.
