Parador Ocean Resort & Spa is located in Manuel Antonio, Costa Rica. Surrounded by 12 acres of wildlife and rich tropical rainforest with panoramic views of the Pacific Ocean and Manuel Antonio. Adjacent to the secluded Playa Biesanz, the Resort is just minutes away from the Marina Pez Vela and the famous Manuel Antonio National Park, voted among “The World’s Most Beautiful National Parks” by Forbes in 2012.

Luxurious and eco-conscious, Parador has earned multiple awards for its service, facilities and sustainability efforts. It features well-appointed rooms and suites, various restaurants featuring an international array of cuisines, multiple bars and lounges, a first class Spa, tennis court, four ocean-view pools, meetings and banquets facilities.
