PENTHOUSE APARTMENT

A NEW LEVEL OF **LUXURY**

ENTER A NEW LEVEL OF LUXURY IN OUR SUMPTUOUS AND UNIQUELY STYLED PENTHOUSE APARTMENT.

A haven of self-indulgence in the heart of exclusive Chelsea Harbour, each suite is elegantly furnished and beautifully appointed, with subtle designer fashion references and panoramic views over the London skyline. Guests staying in our penthouse apartment experience the very finest personal service, including complimentary airport transfer and a dedicated butler.

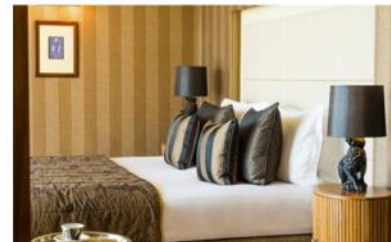

A MEMORABLE **VIEW**

LOSE YOURSELF IN A WORLD OF UNDERSTATED ELEGANCE IN THE KENSINGTON SUITE.

Subtle pinstripes and Paul Smith fabrics combine, to create a welcoming and stylish ambience, complete with a sociable living area with stained timber panelling, offset by soft seating. The rich brown bathroom features striking glass mosaics in its bespoke vanity unit, a generous shower with an oversized shower head and colour changing lighting in the bath. The Kensington Suite is 90 square metres.

LIVING THE **HIGH LIFE**

REMINISCENT OF SAVILE ROW, HOME TO THE WORLD'S FINEST BESPOKE TAILORS.

The Savile Suite draws its inspiration from the timeless Paisley motif. The bedroom features a full-height quilted Paisley headboard, while the lavish white marble bathroom sparkles with chequered flooring, a gilt-edged mirror and an inviting bath with internal lighting. The living area has at its heart a raised circular seating area, which can double up as a cinema for private screenings, and the separate dining area is perfect for private entertaining. The Savile Suite is 85 square metres.

RIVERSIDE ELEGANCE

ART DECO AND BIBA MEET IN THE SPECTACULAR ABINGDON SUITE.

A separate hallway with a wardrobe and drinks cabinet leads to a stunning bedroom with an ensuite bathroom and walk-in wardrobe, and a spacious living area. The master ensuite has a built-in flat screen television, integrated colour changing lighting and a distinctive brown and cream marble vanity unit. Strong polka dot fabrics sit alongside plain lines and stained oak lacquered furniture, and luxurious hand-tufted carpets soften the space. The Abingdon Suite is 80 square metres.

THE JEWEL IN OUR CROWN

THE KING'S SUITE EMBRACES THE BEST OF ICONIC, FLAMBOYANT BRITISH DESIGN WITH ITS ECLECTIC MIX OF FABRICS AND TEXTURES.

Quirky and vibrant, the décor in the 175 square metre King's Suite combines plush velvets, luxuriant chenille's and embroidered silks and cottons, with contemporary furniture, to stimulate the senses. Bathed in natural daylight, the two large ensuite bedrooms look out across London's infamous landmarks, whilst guests can enjoy a little pampering in the bathroom, which has an infinity spa bath and sauna.

SOPHISTICATED LIVING

OUR LARGE EXECUTIVE LOUNGE CREATES AN ELEGANT EVERYDAY LIVING AREA.

Top level relaxation is ensured in the living areas of the penthouse apartment. Plush sofas are dotted throughout the living area and guests are able to take in the incredible view of the London skyline from inside or from the expansive private outdoor terraces. A fully equipped kitchen is available, as well as a laundry area and small bar, complete with a mini bar and espresso machine.

AN OCCASION TO **SAVOUR**

THREE UNIQUE SUITES OFFER A RANGE OF LIVING OPTIONS.

Come together for meals in our exclusive private dining room, overlooking the marina, which has a large dining table which can seat up to 16 people. Utilise the smaller Albert Suite, at 37 square metres, for prayer and the larger Battersea Suite, which is 67 square metres and has a balcony, as a children's play room.

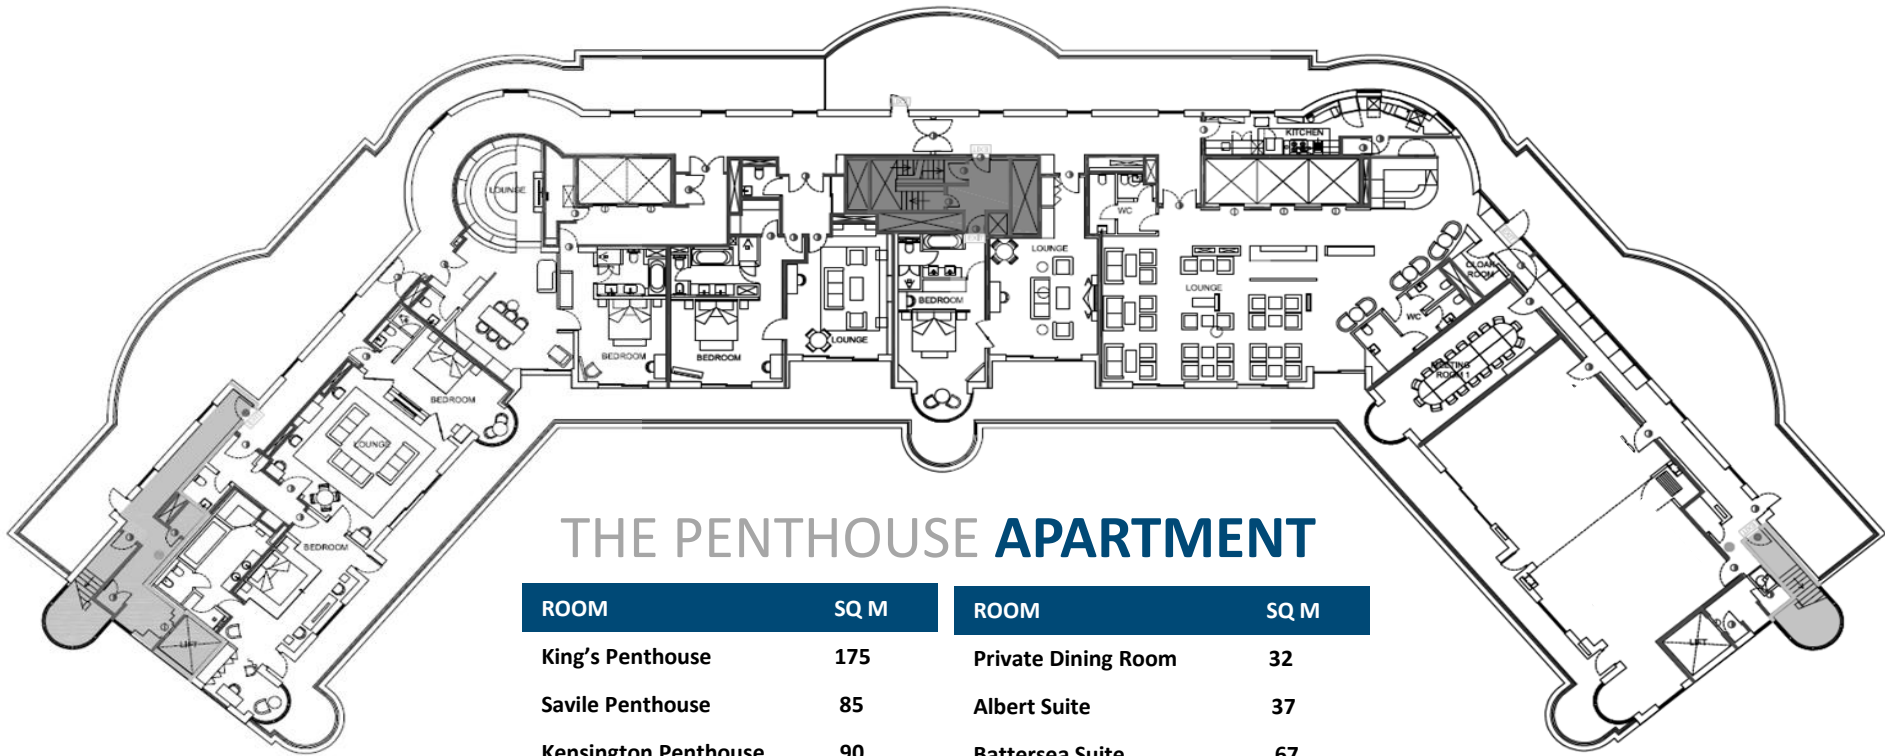

LUXURY AT THE **HIGHEST LEVEL**

UNFORTEGABLE VIEWS ACROSS THE RIVER THAMES, CHELSEA HARBOUR MARINA AND LONDON'S ICONIC SKYLINE.

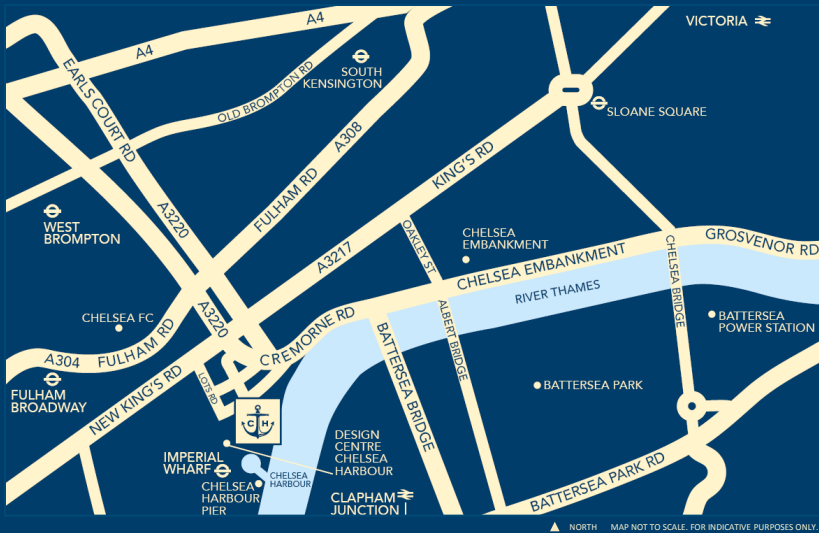

Rest assured in the knowledge that you are only a moment's drive away from some of the most fashionable locations in the capital.
