PUNE

Pune is the eighth largest metropolis in India, the second largest in the state of Maharashtra. Situated at an approximate distance of 73 miles from Mumbai and linked through a well connected Expressway, this emerging city has shown a rapid growth in recent times.

As one of the largest cities in India, Pune is emerging as a prominent location for IT, BPO, engineering and manufacturing companies to expand their operations. IT giants like IBM, GE, Accenture have their presence in the city, making it the second largest IT hub in the country after Bangalore.

The automotive sector is immensely prominent in Pune. General Motors, Mercedes Benz, Volkswagen, Tata Motors and other automotive ancillaries have their presence in Pune.

Manufacturing companies like Bharat Forge, Bridgestone and Engineering companies like Eaton, Sandvik Asia have also made Pune their business hub.

Always known to be a university town and Oxford of the East, Pune is now earning a new title of respect for itself.
