Founder

A Living Legacy

Born of a distinctive legacy and crafted for modern connoisseurs who desire the finest experiences imaginable, the St. Regis brand established luxury hospitality with the opening of The St. Regis® New York more than 100 years ago. From the moment John Jacob Astor IV opened the doors of his Beaux-Arts masterpiece on New York's Fifth Avenue, St. Regis has stood as a symbol of uncompromising elegance and bespoke service.

Saadiyat Island

Saadiyat is home to an abundance of marine life, rare birds and wildlife – in fact, there have been regular sightings of sand gazelles on Saadiyat Beach Golf Club's course and dolphins frolicking in Saadiyat's pristine waters.

Saadiyat Cultural District

Saadiyat Cultural District is set to become an internationally renowned arts hub, featuring Manarat Al Saadiyat, the Zayed National Museum, Louvre Abu Dhabi, Guggenheim Abu Dhabi and the Performing Arts Centre.

Saadiyat Beach Golf Club

Designed by undisputed sports legend Gary Player, Saadiyat Beach Golf Club is one of the world's most uniquely captivating golf projects.

Its spectacular hole designs and magnificent views of the Arabian Gulf, visible across a third of its landscape, have attracted golfing enthusiasts from around the world.

Royal Suite

The Royal Suite is a duplex spanning across the upper two levels of the hotel. Design inspiration was derived from tactile oceanic elements such as white sand, sea shells, ancient sea worn stones and driftwood. The interior palette has echoes of soft beiges and earthy tones. Additional hues of sea mist, ice cream, teals and blues act as nature's jewelry complementing the resort suite. The bespoke fittings together with dramatic artworks add glamour and fantasy to this gracious, turquoise sea facing space.
