# The Chefs

Jean-François Rouquette & Naraé Kim

## *Jean-François Rouquette – Executive Chef*

Since 2005, Jean-François Rouquette has been in charge of the kitchens at the Park Hyatt Paris-Vendôme.

The private culinary world of Jean-François Rouquette is inspired by nature, the seasons and the people that he met. This is the result of 35 years of experience and the fruit of his trip diaries. As he likes to say, "The enemy of taste is boredom" and this encourages him to always be on the go...

## *Naraé Kim – Pastry Chef*

Naraé Kim grew up in South Korea. After 10 years of traveling she met Jean-François Rouquette at Park Hyatt Saigon. In 2018, she continues her rise at Cheval Blanc hotel in Courchevel, and the Yannick Alléno group in 2019, and settled at Park Hyatt Paris-Vendôme in 2021. Naraé is a young woman and modern pastry chef, who mastered the codes of her time. She won the gold medal twice at the World Global Pastry Chef Challenge, in 2015 and 2016.
