

# DOUBLE TREE by Hilton™ ROTTERDAM CENTRE

## RECENTLY REBRANDED ROTTERDAM HOTEL

DoubleTree by Hilton Rotterdam Centre, located at the base of the iconic Erasmus Bridge, reopened after an extensive rebranding and renovation of one of the city's most recognizable buildings. The 265-bedroom hotel is the most recent addition to the fast-growing DoubleTree by Hilton portfolio in Europe and it marks the introduction of the popular brand in Rotterdam. Located in the heart of the city, along the river banks of the Maas, the hotel offers guests stunning views of the river port and waterfront from the modern rooms.

For business guests, the hotel has nine meeting rooms, located on the 15th and 16th floors, each space showcasing breathtaking views of the Rotterdam skyline. With more than 850 square meters of flexible conference and event space, the hotel is the ideal location for meetings and events in the city.

Do Deli, the hotel's restaurant & bar, embodies the welcoming traditions of European cafe and bakery culture. A 24-7 Mini Market provides convenience for guests at any hour. Finally, the hotel boasts a fitness centre and pool on the 8th floor, allowing guests to enjoy wellness throughout their stay.
