FREE INTERNET

There's been a lot of talk recently by some of our frienemies about Free Internet. Or perhaps more accurately, the cost of Free Internet. Our view on the subject is simple. Always has been since 2005. It's free. We don't charge you for other essentials. And we don't believe in bait and switch pricing. Some call us naive. We call ourselves modern hoteliers, who believe heart and soul in relationships and values and the good old art of 360° hospitality. Welcome to Radisson Blu. It is you.
