IT HAPPENED AT THE HOTEL BRISTOL

It is said that Edward, the Prince of Wales, decided to abdicate the throne in favor of his love for Wallis Simpson, during one of his numerous stays at the Hotel Bristol. Politically speaking this was a scandal, but from a romantic perspective it is a wonderful inspiration for all of our couples.

Apart from romance, the location, atmosphere, guests, culinary pleasures and decoration all play leading roles equally.

After all, the most beautiful day of your life should take place in a special ambience, a romantic location and an unparalleled surrounding like the Hotel Bristol.

The more comfortable the bridal couple and the guests feel, the more successful the celebration, leading to an unforgettable wedding. Start your exceptional day with champagne in a suite. Then, surrounded by your loved ones, you exchange your touching vows. The party takes place in the glamorous Art Deco-style rooms with music and dance until the early morning hours.

IN LOVE, ENGAGED, MARRIED

It is our pleasure and a long-standing tradition at the Bristol to give our bridal couples a personal gift as a thank you and good luck charm.

Psst, we will only tell you...

When it comes to imaginative marriage proposals, engagement parties and wedding anniversaries, we are happy to offer advice and support and an endless supply of creative ideas...
