

HYBRID EVENT SOLUTIONS FOR YOUR NEEDS.

MEET SMART. MEET SAFE. MEET HYBRID.

WEB CONFERENCES

- Up to 30 people in a venue; scalable number of attendees online.
- Use your existing video conference platforms
- Simple in-room set up with webcam & installed screen/projector and sound systems

WEBCAST / BROADCAST/ WEBINAR

- Large group over 250 people in our ballroom; online attendees scalable to unlimited size.
- Multi-point connections with interactivity, live polling, file sharing, recording and archiving
- Personalized participation link for creating a list of participants
- High quality camera equipment with multiple perspectives and modern video editing suite

STUDIO BROADCAST

- Same enhancements as level 2 with upgrades to professionally built studio
- Studio-quality lighting and backdrops according to customer requirements

MEET SAFE, MEET CLEVER ON-SITE

- All in-person meeting set ups can incorporate a hybrid component
- One meeting room, multi-room or multi-venue setups
- Adjusted seating & traffic flows
- Cleaning guidelines & additional sanitization
- Hygienic F&B concepts
- Extensive fresh air circulation through AC systems
