With its central location on Rådhuspladsen, right in the heart of Copenhagen, Scandic Palace Hotel boasts one of the best addresses in the Danish capital. When you stay here you have Strøget, Tivoli and the city's many attractions right on your doorstep, yet the airport is just 15 minutes away.

Guests at Scandic Palace are certainly in for a treat, in every sense! The building was designed by the internationally renowned architect Anton Rosen, one of the main proponents of Danish art nouveau, and the hotel's modern interiors have been designed in a way that respects the building's character and the hotel's rich history.

Enjoy delicious food and impeccable service in the hotel restaurant; relax with a well-earned drink in the bar and savour the famous Scandic breakfast buffet and the views of Rådhuspladsen. Our guests always have access to free WiFi and all our rooms offer a high level of comfort and dedicated workspaces.

Hire the entire restaurant for your event

Hosting a reception, tasting, business VIP dinner, meeting or private function? Why not hire the entire restaurant and invite up to 110 guests to a party at Scandic Palace Hotel?

MEETINGS THAT MAKE HISTORY

Scandic Palace Hotel offers meeting experiences out of the ordinary on our Executive Meeting Floor. A host will be on hand to assist you for the duration of the event and the meeting rooms Flora 1, 2 and 3 have been tailored to suit your specific requirements and set the scene for meetings that make history.

Flora 1 caters for up to 40 participants and is well suited to large board meetings, presentations, panel discussions and smaller AGMs. Flora 2 and 3 each seat 14 people, making them ideal for board and management meetings, or indeed any other form of meeting that calls for discretion and privacy.

Soak up the unique atmosphere, the superior comfort of the design, the crisp Bose sound and Apple TV, not to mention the excellent view of Rådhuspladsen. It soon becomes apparent that we have poured our heart and soul into the details and that we are truly passionate about the service we offer, the flavours we create and the quality of the raw materials in the food on your plate. When combined, this generates a positive energy and inspiring, exceptional results.
