FROM A DIFFERENT POINT OF VIEW

ROME CAVALIERI

A WALDORF ASTORIA RESORT

ROME CAVALIERI CONGRESS CENTER

One of the largest and most modern congress center facility of any European 5-star luxury hotel.

At the Rome Cavalieri, the story begins with a meeting at The Atelier, our dedicated events hub and source of creative energy where the team takes your spark of an idea and turns it into fire.

Whatever tradition you are celebrating from christening to anniversary, The Atelier will create an event tailored to your vision.

An appointment at the The Atelier offers you a chance to see the fabulous Rome Cavalieri views that will be the backdrop to your event. Here is a boutique of temptation, where the magnificence and minutiae of your event are determined.

Flexible venue offering more than 93,650 sq.ft./8,700 sq.mt. of meeting and conference space, with the Salone dei Cavalieri grand ballroom boasting a capacity for 2,100 guests.

28 meeting rooms and breakout areas equipped with state-of-the-art AV technology and serviced by dedicated Event Managers.

Separate congress center entrance with direct access to the Salone dei Cavalieri main ballroom.

The Salone dei Cavalieri multifunctional ballroom, "Where Art Meets Technology", blends advanced modern technology with breathtaking pieces of art.

Our professional Conference & Events department is experienced in arranging a full array of functions, including product launches, gala dinners and cocktail parties.

SALONE DEI CAVALIERI

WHERE ARTS MEETS TECHNOLOGY

The 16,580 sq.ft./1,540 sq.mt. Salone dei Cavalieri can host an impressive 2,100 delegates in theater style.

We pride ourselves on being able to fulfill any brief, whatever the size or nature of the business gathering, be it a meeting, exhibition, conference or reward trip.

The Salone enjoys an independent service road, allowing easy access for loading and unloading.

The foyer leading into the Salone dei Cavalieri, as well as the Garden Lobby, is a fully flexible event space adaptable to numerous setups.

172 aerial hanging points, holding up a total of 84.400 pounds allowing for flexible use of space.

Enhanced audio and differentiated projector points, which include one softedge projector covering the perimeter of the ballroom.

New RGB LEDs that allow for visual effects, including altering color, contrast and brightness to transform the space according to the client's preference. The LEDs are placed all over the ballroom, allowing for different colored atmospheres, each section independent from the other.

Most of the materials used for decorative panels and doors reflect and absorb light and colours.

Acoustic roof and wall damping tiles have been installed for noise absorption and reduction up to 52 decibels.

Hidden electric cables and wires, with only six millimeters of visible wire line.

Light and movable panels that can easily be moved by one person.

Each electric socket allows up to 150 Kilowatts.

Audio/video control points are accessible anywhere in the ballroom.

The walls of the ballroom are adorned with intricate Leyniers tapestries that create a feeling of style, warmth and sumptuousness.

The six tapestries can easily be covered to become projection backgrounds for presentations.

CONFERENCE & GATHERING FACILITIES

The Rome Cavalieri, one of the most splendid and versatile wedding venues in Rome, boasts 28 different spaces that will become whatever you wish: romantic, traditional or spectacular.

Combined with a museum-worthy art collection and rich interiors, it makes a suitably elevated stage for high-level meetings, where statesmen and captains of industry feel at ease.

SALA MICHELANGELO

Close to the main lobby, the Sala Michelangelo is the perfect setting for cocktail parties or buffet meals and can be divided into 3 separate and independent sections through partition walls. With glass walls and floor-to-ceiling windows overlooking the hotel park, it is full of natural light which reflects across white marble floors. High ceilings and wide views to the outside enhance the wonderful sense of space here.
