A UNIQUE LOCATION

One of UNESCO's World Heritage Sites, cosmopolitan Versailles moves to the rhythm of its palace and gardens all year round. A few steps away, the hotel enjoys a privileged location, ideal for business travelers and holidaymakers alike.

NATURE & ARCHITECTURE

The design brings architecture and nature together in harmony with references to the stylized arabesques of the Orangerie, Versailles' quintessentially French gardens. Cut glass crystal, antique mirrors and contemporary materials. The decor flows from tradition to modernity. The hotel's wellness area fits perfectly into its surroundings.

HARMONY

The atmosphere in the rooms brings eras together, then sets them apart. Clean cut lines and soothing colors encourage relaxation. Particular attention has been given to the work space, ensuring optimal performance.

MEETINGS ROOMS

Equipped with the latest technology, our stylish meeting rooms provide innovative work spaces. A team of expert planners accompanies private or professional events for 10 to 200 people
