

A captivating event location

NH COLLECTION
MÜNCHEN BAVARIA

Location

Located in the heart of the Bavarian capital, the NH Collection München Bavaria welcomes you with an elegant ambience, a unique Alpine panorama and an eye-catching view over the city. Its central location – combined with stylish design and the kind of hospitality the region is known for – provides the perfect place to work, relax and live life to the fullest.

When it was constructed, the hotel building was the first skyscraper in Munich. It remains one of the tallest buildings in the city centre and stands out even more thanks to its rooms bathed in light featuring an impressive mountain backdrop. The bronze details of the interior are a nod to the history of the region: the hotel is named after the famous 18-metre-high bronze statue Bavaria, which was created midway through the 19th century by order of King Ludwig I and towers over Theresienwiese.

The hotel is located right next to Munich Central Station, with offices of many top companies as well as the old town within easy walking distance. Popular attractions, the Hofbräuhaus München beer hall and public transport connections are right on your doorstep. Our hotel is committed to sustainability and has been awarded ISO 14001 and Bioscore certification.
