IN THE HEART OF BRUSSELS

Living design

Famous for its **seven-story glass-covered atrium**, our five-star property is distinguished by its extraordinary post-modernist architecture, which you can admire by boarding one of our **scenic elevators**. Recently remodeled by renowned architect **Rafael de la Hoz**, the interiors of the Radisson Collection Hotel, Grand Place Brussels blend elegance and comfort.

Meet the exceptional

Vibrant social scene

By the entrance of the glass-covered atrium, the **Atrium Bar and Restaurant** offers an extraordinary setting to enjoy signature cocktails, homemade refreshments, or a fine bottle of wine. The menu also features tasty snacks, Belgian specialties and timeless international classics. Just steps away, **Shanghai Kitchen** presents a sophisticated take on Chinese cuisine. Inspired by the city's urban street food culture, the menu highlights sweet and savory flavors. Watch the chefs cook from the open kitchen counter while enjoying refined dishes.
