de Wiemsel

Welcome

Located right near the German border between Nordhorn and Enschede, nestled in the meadows and woods of the Twente region, on the outskirts of the artist town of Ootmarsum is an ideal place to relax, rejuvenate and experience maximum enjoyment: The four-star superior "Parkhotel de Wiemsel." The rambling parkland surrounding the entire property is truly unique. The program is "room to breathe" with a relaxed generosity reflected in 56 comfortable rooms, junior suites and suites.

Serenely spacious

Traditional and surprising

Enjoy delicious and uncomplicated cuisine – sometimes prepared in traditional style and sometimes a surprising new interpretation – in the calm and soothing surrounding of our "Restaurant de Wanne." Our restaurant is upscale but not over the top, it is honest and artful. We place great emphasis on the quality and freshness of our basic products.

Pool with a view

Glide languidly through the water or swim a few laps. Do it any time of year in our spacious indoor pool (20 x 8 m). And when the weather is nice, move to the outdoor pool and sun deck situated in the colorful parkland. The exercise room is small, but with the finest equipment and poses no limits to your ambitions.

Oasis of calm

Whether it's a relaxing aroma oil massage, a gentle facial or a new hairstyle: We want you to be comfortable, relax and rejuvenate in our "Spa & Wellness de Wiemsel." Wrap yourself in a fluffy bathrobe, let your gaze wander over the fields and trees, and enjoy a small lunch in the sunshine on the private spa patio.
