Light Stay Report

Hilton Cologne ESG efforts

Hilton Cologne is committed to sustainability through the Hilton Light Stay initiative. Every event can receive a certificate detailing its carbon footprint, which can be fully offset at no cost, helping you host meetings and gatherings that are both connected and environmentally responsible.

How to?

With Hilton Light Stay, simply request the carbon footprint certificate during your event planning, and it will be provided at no additional cost. Visit our website to learn more about how you can host environmentally responsible meetings.
