HAMBURG

CONFERENCES & EVENTS

THE RIGHT PLACE AT THE RIGHT TIME

THE FONTENAY is a reflection of modern Hamburg and a homage to this Hanseatic city. On the shores of Lake Alster, one of the most beautiful locations in the heart of the city and within walking distance of the elegant Jungfernstieg Boulevard, you'll find THE FONTENAY - the perfect balance between nature and urbanity.

The four private function rooms with natural daylight surrounding a spacious foyer area with access to the landscaped inner courtyard are ideal for meetings, creative workshops, product launches or press conferences and other memorable celebrations. We plan and look after your individual events with great professionalism and attention to detail.
