# VALENCIA

Have you ever thought about organising your event in Valencia?

Why Valencia?

Because it's not like the others.

Because it offers experiences paired with incredible places that you can only do here.

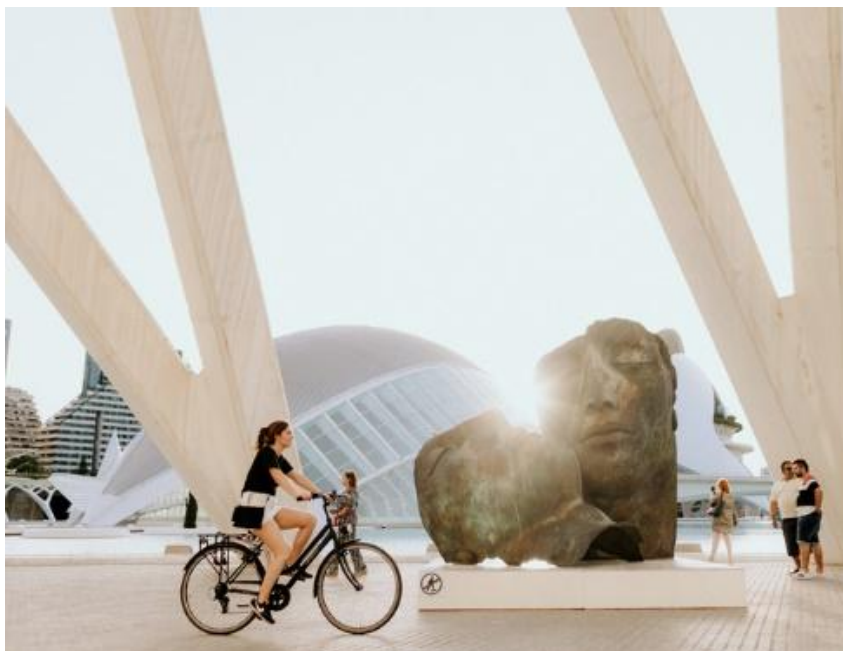

Because it has the perfect size to offer everything without overwhelming anyone.

Because it combines 2000 years of history, avant-garde architecture, traditions, beaches and natural spaces.

And because the weather is so benevolent that any time of the year is a good time to come.

A woman with long brown hair is sitting up in a bed with white linens. She is smiling and holding a small piece of popcorn in her right hand and a black remote control in her left. A glass bowl of popcorn sits on the bed in front of her. The bed has a large, textured grey headboard. On either side of the bed are dark wooden bedside tables. The left table has a black mug with a cat face, a stack of books including 'PETER RABBIT' and 'BONITA AVEENUE', and a book titled 'ULTIMATE EATLIST'. The right table has a glass of red wine and a blue rotary telephone. A teal rectangular box with the text 'In-room Perks' is centered over the bottom half of the image.
