## Château de Neuville-Bosc

“ the Sunflower Room, the first round room at Châteauform', for better discussions. ”

Neuville-Bosc is an authentic family home that is both cozy and intimate. In the centre of a small hamlet, this 19th century mansion and its outbuildings are surrounded by an 8-hectare park bordered by a large forest reserve. The area can accommodate 50 guests in a space where many enjoy walks in the park... in short, anything that naturally promotes thought, creativity, and cohesion among your seminar teams.

## The magic of meetings in the countryside

### Marianne & Joël

Welcome to Neuville-Bosc - the birthplace of Chateauforn'! A peaceful place in the middle of the Vexin Forest where you will discover the best of life in Picardy and good food prepared by Anthony our Chef. What could be better than a team entirely at your service to make your stay unforgettable!

### Yannick

Neuville-Bosc offers at least two speciality dishes. The kitchen is a true bourgeois mansion country kitchen... open, bright, and welcoming. And the chef... Yannick. Her two specialities work together beautifully. Yannick loves truly local products. He buys local ingredients or grows them in his garden, and he prepares them using traditional recipes, like grandma.
