La maison des contes

“ a magnificent view over the
Beaujolais vineyards ”

If the house could tell tales... Once upon a time, there was a beautiful late 19th century residence, located in the heart of the Beaujolais, among the flowering vines of the Rhône. Within a 33-hectare park surrounded by vineyards, this human-scale chateau has preserved the warmth of large family get-togethers, with its majestic dining rooms, its cozy sitting rooms in vaulted cellars, and its quiet and spacious bedrooms. Vanessa, Christophe, and their team are happy to live here.

The magic of meetings in the countryside

Vanessa & Christophe

After the charm of the Norman Vexin at the Château de Rosay, we're looking forward to welcoming you to the rolling hills of the Beaujolais region, in an enchanting castle with the sweet name of "Maison des Contes" (House of Tales)

See you very soon

Kevin

The region offers many delicious variations! These include traditional Lyon dishes (sausage with pistachios, St Marcellin, and praline pie) using recipes from our talented chef Kevin. Prepare your taste buds, and welcome to our gastronomic capital.
