You would like to stay in the heart of Almere. The Stadsschouwburg (city theatre) is located next door, shops and restaurants can be reached within walking distance. Apollo Hotel Almere City Centre is close to several highlights of the city. Within a ten-minute walk, you reach the train station. From here you will reach Amsterdam in only 20 minutes by train. You are looking for a more quiet place? Visit the Oostvaardersplassen nature reserve.

ALMERE, THE NEW BUSINESS CENTRE

Almere is the business centre of the future. More than 130,000 square metres of office space has been erected around Almere Central Station, including the impressive World Trade Centre. This has been our source of inspiration. The contemporary architecture and stylish design of our hotel ties in perfectly with the progressive style of the city.

OUR DESIGNER ROOMS

Our rooms have been furnished with style. After visiting the centre of Almere, you will sleep delightfully in a comfortable bed, allowing you to start the next day feeling fully charged and relaxed. Park your car in the Schippersgarage. From this car park, you will take the elevator to our hotel.

CHALLENGE US TO MAKE YOUR STAY UNFORGETTABLE!

BIERFABRIEK ALMERE

In 2017, Bierfabriek Almere has been opened in our hotel. Bierfabriek can also be found in Delft and Amsterdam. You have reserved with a group? At Bierfabriek Almere, you take a seat in the restaurant or the café. Prefer more privacy?

Private spaces are also available. The menu at Bierfabriek has been drawn up with care, as the chefs use organic products. Good meals are served at a fair price. The chef's favourite on the menu is the farm chicken. This French chicken is a hardy breed, which makes it grow slowly. The chickens have enough space to free-range and eat 100% plant based foods.
