Adventures in Atlantis

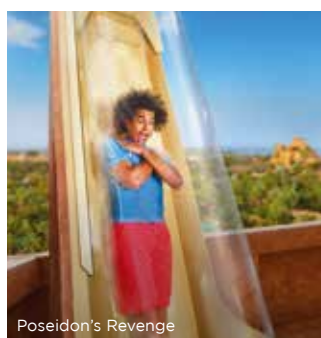

Aquaventure Waterpark

Experience world-record breaking water slides at Aquaventure Waterpark, the top rated waterpark in the Middle East and Europe. Encompassing 17 beachfront hectares, and two enormous towers packed with rides, Aquaventure Waterpark is the ultimate destination for thrill-seekers.

The Tower Of Neptune reaches 30 metres into the sky and features seven heart-pumping slides including The Leap of Faith with its daring 27.5 metre near-vertical drop propelling body surfers through a clear tunnel submerged in a shark-filled lagoon.

The daring Tower of Poseidon is filled with record breaking rides, including the world's largest waterslide, the UAE's only dual racing loops, and one of the longest ziplines in the Middle East. The most thrilling ride in this tower is Poseidon's Revenge. Feel your adrenaline skyrocket as you step into the capsule then watch the floor fall out from beneath you as you plummet through the heart of the tower at speeds of 60 km per hour.

Poseidon's Revenge

Splashers Island

Not to forget our younger visitors, Splashers Island is a water playground featuring elaborate water games and slides, providing a world of thrills and lots of water spills for children (under 1.2 metres) and their parents. Children can delight in the interactive climbing frames or challenge one another across one of the five rope bridges that interconnect with ten water slides.

The Lost Chambers Aquarium

The legend of Atlantis comes alive amidst the intriguing passageways and tunnels of The Lost Chambers Aquarium. With over 20 marine exhibits to explore, containing over 65,000 marine animals, Atlantis, The Palm is home to one of the largest marine habitats in the Middle East.
