CONNECTING YOU TO THE BEST OF MONTRÉAL

In the heart of Montréal's thriving shopping and business district you will find Fairmont The Queen Elizabeth—a 1960s classic hotel that will soon be transformed into a contemporary lifestyle space, complete with modern technologies and amenities. Our renovation project, a \$140 million investment by Ivanhoé Cambridge, will see the hotel closing in June 2016 and reopening in June 2017. The full completion in December 2017 will create additional suites; expanded Fairmont Gold rooms and lounge; an inspiring new business hub and meeting space; a signature bar, restaurant and market kitchen; a Wellness Centre and indoor pool; an outdoor terrace; and a vibrant lobby event space. We're excited to unveil our reimagined way to do business in our city, and we can't wait to share it with you!

CHOOSE YOUR ROOM

All 952 guest rooms will undergo renovation, with a bold artistic direction that will result in bright and dynamic interiors. A seamless blend of connectivity, efficiency and elegant comfort—so important for today's travellers—will make it easy to get cozy or to get business done. Propelling the hotel into an exciting new chapter, the renovation will celebrate Montréal's history, and add warm and inviting elements.
