Restaurant PRESSROOM & bar

PRESSROOM Amsterdam is a restaurant with a story. Not just any story; the first page dates back to 1904 when our building became the base of Dutch newspaper 'De Tijd'. With a history like that, it's no surprise PRESSROOM is still a place "where stories are yet to be written". Today, this rich history is translated into a relaxed dining experience with a modern and personal approach.

PRESSROOM Amsterdam lives from early morning until late at night simply because: the story must go on. The menu consists of modern classics with local ingredients and tasteful flavors that merge into perfect combinations on your plate.

Our mixologists at the PRESSROOM Amsterdam Bar will create works of art for you to indulge in. They combine local spirits like Corenwyn and Genever and mix them up with the best ingredients from all around the world. They will serve you a cocktail so pretty, that it is almost a shame to drink it.

Our story

INK Hotel Amsterdam - MGallery Collection is a luxury lifestyle hotel and owes its name to the rich history of the building, as former home of the Dutch newspaper 'De Tijd' where stories were conceived, written and brought to life in ink. Because of this INK Hotel is the place 'Where stories are yet to be written'.
