MEETING AT A SOCIAL DISTANCE

Do you want to organize meetings and events at a social distance with the best view of Amsterdam? Floor17 offers five spectacular Sky Lounges that are setup at an appropriate distance for your guests. Inspiring brainstorm sessions, effective meetings or educational trainings, we would be happy to make your meeting a great success.

CORPORATE & SOCIAL EVENTS

In addition to our Sky Lounges, Floor17 has a fantastic restaurant and rooftop terrace for your corporate or social events. This special event location can be privatized (partly and completely) and offers various possibilities. From team building activities, barbecues or long summer nights with DJs and cocktails to a complete winter rooftop terrace and curling game.

SAFETY AND HYGIENE MEASURES

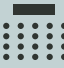

At Floor17 we continue to monitor the situation according to the policy of the National Institute for Health and the Environment (RIVM) to ensure necessary measurements are taken when it comes to the health and safety of our guests and employees.

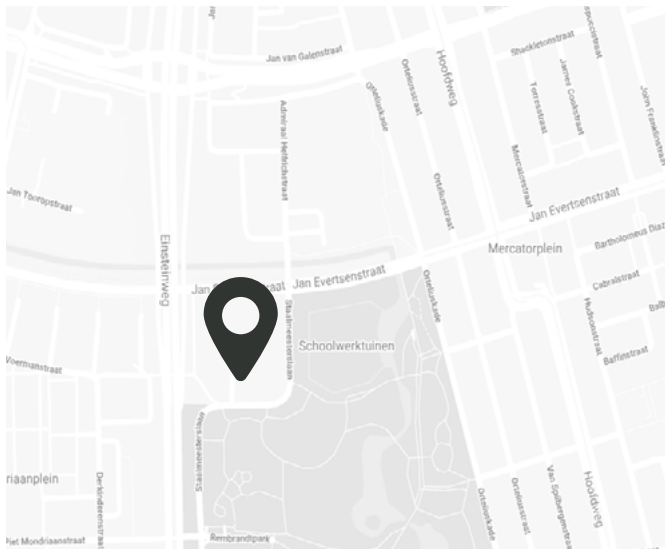

A dedicated event planner will create a full floorplan incorporating the necessary safety measures for your attendees. At the hotel we have developed different protocols that include aspects such as routing, catering packages and cleaning which are adapted to specific event types. With arrows on the ground we created corona-proof routes and we have disinfections stations at all entrances and exits. In addition, your guests will be received by our lobby hostess who will guide your guests to our meeting and event locations.
