

“SERVUS” AND WELCOME TO OUR REGION!

Being an absolute mountain lover, we know our wonderful region like the back of our hands. That's why we are delighted, in our function as one of the first Activity Concierges, to present our homeland to you.

The Kempinski Hotel Berchtesgaden is the ideal starting point to discover the region. We are able to assist you with planning, provide you with insider tips and advise you on trips and activities.

We will happily accompany you personally on an adventurous snow shoe tour, a delightful hike through the mountains or even guide you to hidden meadows for a rustic culinary treat. And, should you wish, we will close the day comfortably together in front of the open fireplace.

Get in touch and find out what we mean by “pure alpine lifestyle”. We look forward to meeting you!
