TRAVEL With Purpose

Travel with Purpose is Hilton's Environmental, Social and Governance (ESG) strategy to drive responsible travel and tourism globally.

Through Travel with Purpose, we seek to create positive environmental and social impact across our operations, supply chain, and communities.

GREEN Key

Green Key has been a leading standard of excellence in environmental responsibility and sustainable operation within the tourism industry.

Green Key provides a well-proven framework for an establishment to work with its environmental management on sustainability issues, including awareness raising.

HOTEL Green Initiatives

- No single use toiletries in the bedrooms, using refillable dispensers to further reduce use of plastic.
- Procedures in place for HVAC & Lighting during low occupancy periods to preserve energy.
- Process in place for recycling of waste including separate food waste.
- Reusable water bottles to be implemented Q2 throughout the hotel to further reduce plastic use.
- Sensor controlled sinks to control water usage.
- Sensor lighting installed back of house to preserve energy.
