THE NEW MODERN

Introducing AC Hotels by Marriott. Stylish, cosmopolitan hotels providing innovative spaces which define contemporary hospitality. An AC Hotel by Marriott not only offers a key to your room...it offers a key to the city.

The brand combines the strengths of both AC Hotels and Marriott International: AC Hotels' exceptional product and expertise and Marriott International's know-how.

Designed for the 21st century traveler, the brand appeals to both the business and leisure traveler who seek to experience the culture of the city while enjoying modern comforts, stylish design and the latest technology.

PRODUCT CORE VALUE

Urban

AC Hotels by Marriott are urban hotels situated in the hearts of cities. An urban, dynamic and cosmopolitan lifestyle which will make you feel at once part of the city.

Design/Style

At the forefront of contemporary design and comfort, AC Hotels by Marriott has a unique character synonymous with “travelling in style”.

Design

AC Hotels by Marriott are spacious, functional hotels, designed to meet the modern traveller’s needs with no compromise made on style.

High Standards

The AC Standard. Frequent restyling and refurbishing guarantee guests enjoy the highest level of comfort and service.
