RESTAURANT & BAR

The new botanical bistronomy is all about gastronomic excellence and refined food in a comfortable and relaxed setting, in Munich, for the people of Munich. Former Michelin starred chef, Michael Hüsken, heads up the kitchen team. His new menu for Sophia's stresses the importance of regional and seasonal products, with some guest appearances from more exotic flavours and ingredients.

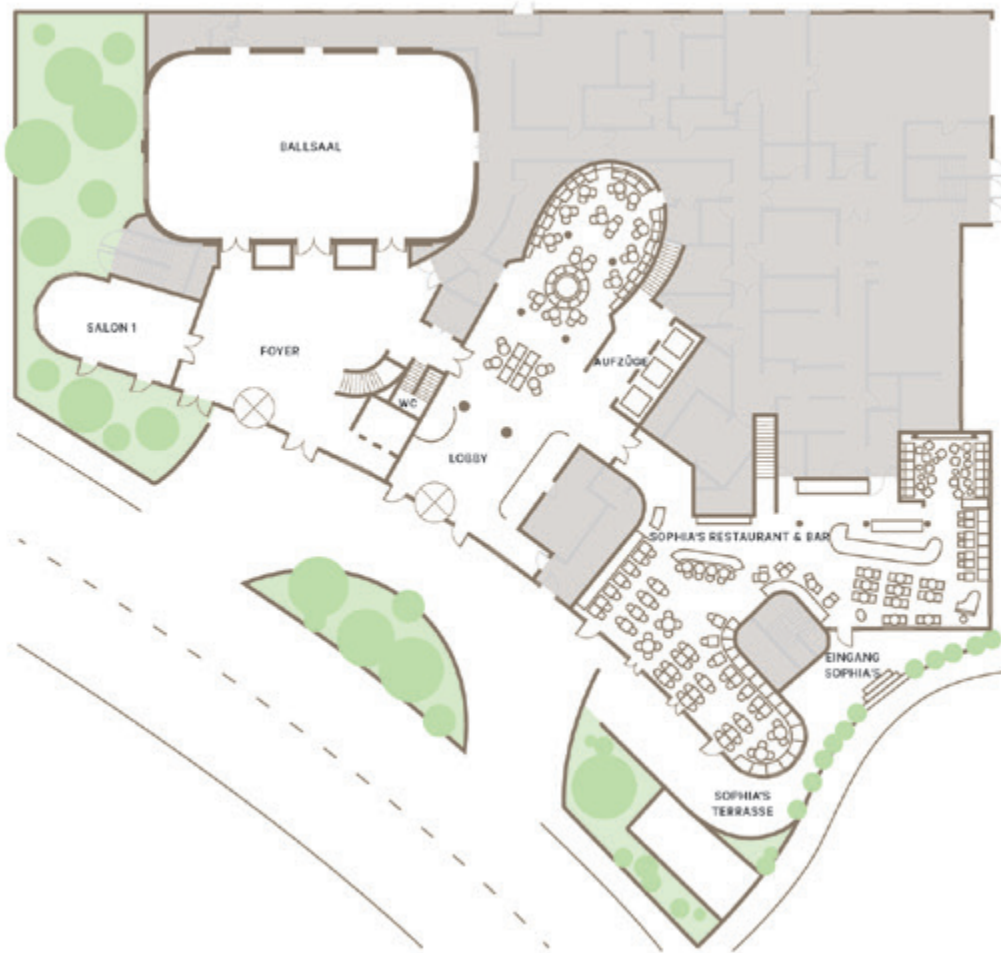

The bar menu continues in the botanical theme, with well balanced and imaginative drinks created by Bar Manager Roman Kern. Roman re-invents the classics by mixing natural essences, drying fruit and vegetables, creating powders out of liqueurs, freezing herbs and pickling spices.

THE CHARLES SPA

The hotel has a fully equipped Fitness Centre with state-of-the-art cardiovascular, weight and resistance equipment.

For a more indulgent way to relax, enjoy the sauna, steam room and Munich's longest hotel pool. A comprehensive range of treatments will help you unwind further.
