### HOTEL SERVICES

The hotel offers 244 modern and individual rooms and suites, decorated with eclectic pieces of furniture in vivid colours like fuchsia and muted violet. All rooms are equipped with a wide range of amenities, including double showers or Jacuzzis in some Executives and Suites. Each floor, which still preserves the industrial atmosphere of the GE factory, features a different colour and a different scent. The hotel's restaurant combines Italian culinary traditions and flavours with a modern and creative touch that blends perfectly with the original design of the spaces. Relax with an after-dinner drink or an aperitif in our elegant lounge bar, designed by Karim Rashid. For work-out fans, our gym is fully equipped with TechnoGym machines and a Turkish bath.

### FUNCTION ROOMS

nhow Milano boasts its own congress centre, composed of 12 technological and versatile meeting rooms, the biggest of which can accommodate up to 400 people. They all can be combined or divided according to the need in order to host any sort of event you are planning. Indeed, we hosted fashion shows, live concerts, academic conventions, designer furniture exhibitions for the

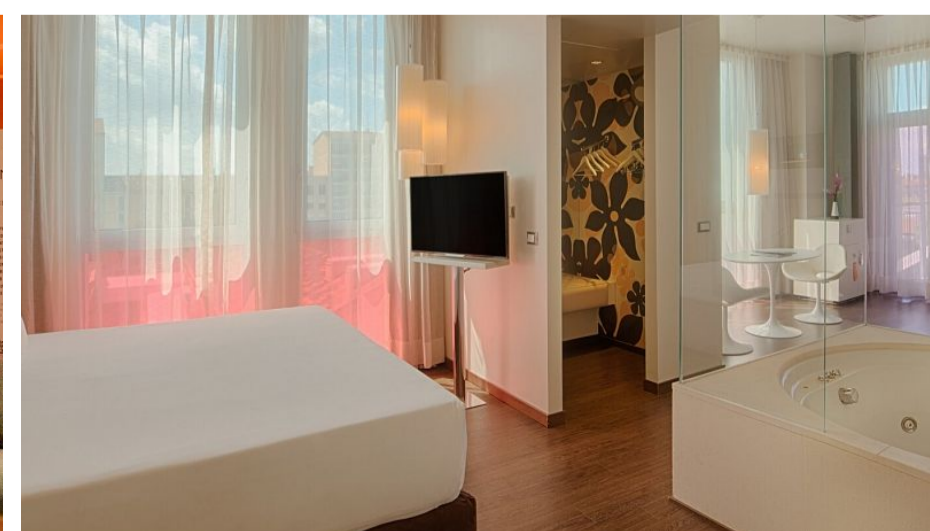

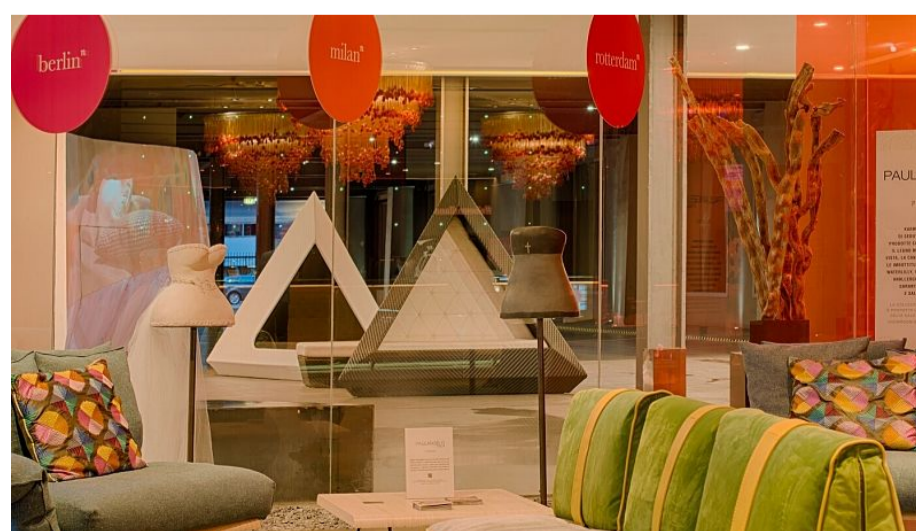

Salone del Mobile and much more. In addition to the function rooms, other meeting spaces are available, such as the T35 and its outdoor terrace, the entrance tunnel, ideal location for fashion shows, the exclusive penthouse suite by Matteo Thun and the new "nhow Loft", an elegant location suitable for private cocktail or unconventional meeting, like brainstorming session.

### SPECIAL EVENTS SERVICES
