

MARRIOTT
ATHENS

FLEXIBLE SPACES LETS FOCUS ON YOUR GOALS

Ensure your business trip or meeting in Athens is a success by staying at the Athens Marriott Hotel. Our flexible and state-of-the-art venues are perfect for important business conventions and high-level conferences for up to 500 guests.

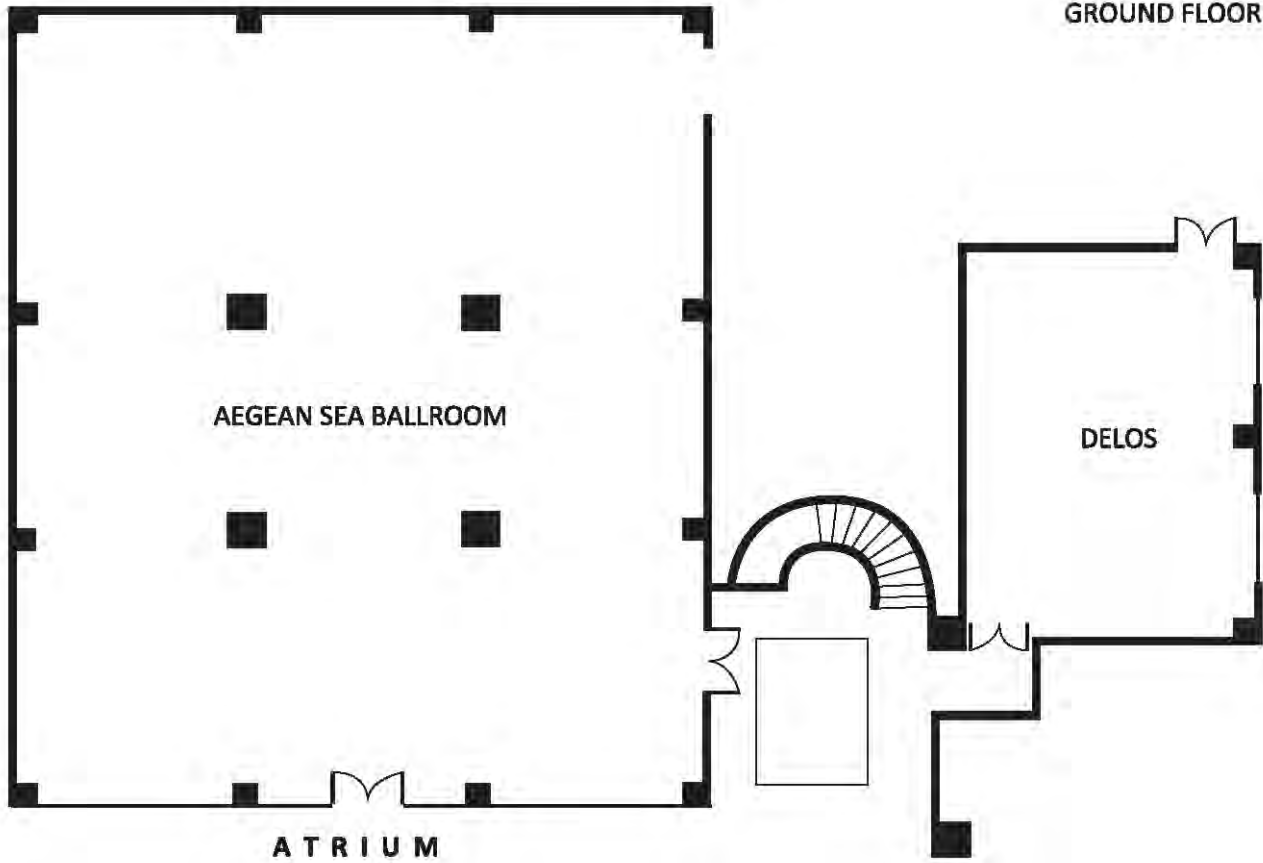

ATHENS MARRIOTT HOTEL

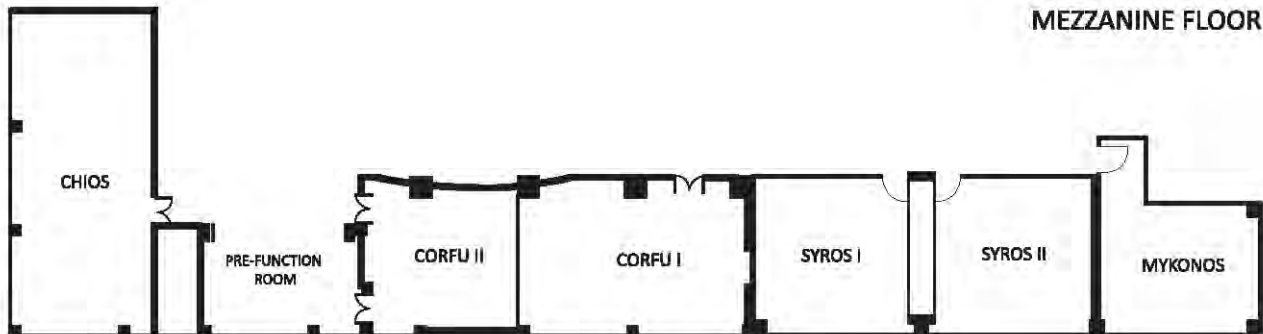

Our eight conference and meeting rooms provide comprehensive and efficient business centre services to keep you on-task, prepared and connected with overseas colleagues. We also offer selective catering options with a high standard of service. All of our venues feature abundant natural daylight and offer high speed wifi and full audiovisual resources and services. Moreover, you can register attendance or rehearse for your business lecture in our pre-function area. The Athens Marriott provides the perfect platform to impress clients or guests with extensive conference options that merge sophisticated design and amenities with impeccable service and a tradition of elegant hospitality.
