

Ideas grow where minds are at peace...

Hotel Dubrovnik Palace provides services for the organization of all types of events, from small executive meetings to large international conferences.

Its eleven flexible conference and meeting rooms can accommodate from 10 to 750 people (or 1000 participants via video-link from Dubrava and Mare halls). Two main conference rooms are part of a self-contained mini conference centre with a separate entrance and its own registration desk.

Celebrated as "Europe's finest five-star resort" in 2011, Hotel Dubrovnik Palace, with its superb conference centre and spa facilities, was also a proud winner of World Travel Awards' - "Croatia's Leading Hotel" and "Croatia's Leading Spa Resort" awards for two consecutive years.

Renovated in 2014, the hotel blends harmoniously with its location, carefully balancing select wood and natural stone. Its 308 contemporary rooms and suites all feature private balconies and beautiful sea views.

The hotel features two outdoor swimming pools, direct access to the beach, an indoor pool, fitness club, tennis and a PADI diving center, as well as a leafy jogging path and scenic walking routes in the woods just behind the hotel.
