More than just *a meal*

Taste the flavors of burgundy Limburg

Our chefs lovingly create the finest dishes, prepared with flavorful local ingredients.

Our favorites

The selection of rich salads on our lunch buffet, a classic three-course dinner in the former cellar vaults of the castle, a summer barbecue in our herb garden or a festive castle dinner.

Whatever the occasion, we have plenty of ideas for an experience that inspires and connects. Because a meal also provides space for great conversations, brings ideas to life, and allows collaborations to grow.

Sleep *well!*

And start the day right

Waking up refreshed and enjoying an extensive breakfast. That's the best way to start the day!

Our fresh, artisanal breads are the heart of our buffet. Choose from a rich selection of toppings, including cheeses from the region and honey from the local beekeeper. Enjoy warm croissants, a fresh egg, and various plant-based alternatives.

Complete your breakfast with carefully selected coffee, tea, juices, fruit, and dairy products.

The power of *exclusivity*

Zetes at the Château Privé

How often do you get the chance to have an entire castle all to yourself? Enjoy the exclusivity and charm while spending quality time together in a relaxed atmosphere, with all the time and space you need.

Zetes had this experience and celebrated its 40th anniversary at Château Holzmühle.

“When we called Château Holzmühle to inquire about the possibility of organizing our anniversary there, we were met with such enthusiasm that we were immediately convinced. It really feels like the castle was ours for a moment. The staff also gave us their full attention. And it's nice to know that during a fun party evening, you don't have to worry about other guests,” she concludes with a laugh.

We'll make it a special event *together*

Great that you're considering Château Holzmühle for your next event. We would love to think along about the possibilities to make your event special. We look forward to a pleasant collaboration!
