FINE DINING AT RESTAURANT AMSTELLE

Enjoy fine dining in our à la carte Restaurant Amstelle. Its classic interior is designed with wood, marble, and dark green velvet. It is decorated with an impressive Dutch landscape wall painting. In the open kitchen, the chefs prepare dishes with local and high-quality ingredients. Our friendly staff will do their utmost to make your visit perfect.

QUALITY TIME AT BAR MOQUM

Mokum is local slang for Amsterdam. We replaced the K in this sturdy nickname with the Q of quality. A reference to the positive city vibe, high service, and quality you can expect from us. The interior is impressive, the grandeur of the city is tangible. But no pressure here; this is where hotel guests and locals meet. Sip cocktails, taste burgers, curries, or salads from the bar menu, or simply enjoy the atmosphere.

BREAKFAST, LUNCH & DINNER AT BUFFET 'T IJ

The extensive breakfast buffet offers delicious egg specialities and a wide range of breakfast classics: from fresh orange juice, warm croissants and kick-start smoothies to fluffy pancakes covered in maple syrup or oatmeal porridge topped with super foods. We also serve an extensive buffet for lunch and dinner. Both are accompanied with fresh pizza from our pizza oven, our salad bar, and our dessert buffet.
