

A modern, minimalist interior space, likely a lobby or lounge area. The ceiling features a complex arrangement of square and rectangular light fixtures with warm-toned bulbs. The walls are dark wood-paneled. In the center, there is a bar area with a white marble countertop and four white bar stools. To the right, there is a lounge area with a light-colored sofa and a green patterned cushion. A large potted plant is visible near the bar. The floor is light-colored with dark, parallel lines running through it.
