HIGHLIGHTS

A legacy of art

Smart & elegance with an extensive renovation by New York designer Tony Chi ; the design, the artwork and the architecture are a hand-in-glove.

InterContinental Genève is a true art destination.

Iconic Outdoor Pool

Celebrated as one of the biggest and most iconic pools in Geneva, our pool has been a signature symbol of the Hotel since 1964. Set in an oasis of tranquility, one can enjoy an assortment of favorites of the Mediterranean accompanied by refreshing cocktails.

Wellness for Body and Mind

CINQ MŌNDES
PARIS

Cinq Mondes Spa, imbued with refinement and sensoriality ; it revisits the beauty rituals of the world, to address the skin, the body, but also energies and emotions.

We know that sustainability is as important to you as it is to us – and that’s why we’ve made it easy for you to stay at a hotel that shares your values. By staying in InterContinental Genève it means that you are part of a worldwide effort to protect our environment.

ENVIRONMENT

We have adopted IHG Green Engage, alongside a commitment to rolling out Bulk-size Bathroom Amenities, Paperless Check-in, Straw-Free Restaurants and Bars, Biodegradable Coffee Cups, EV Chargers.

COMMUNITY

Perhaps one of the most important parts of creating a company built on sustainability is the social fabric that surrounds it: the community. Giving to those in need through programmes that reduce waste and repurpose it for a greater good is an excellent way to give back in a way that helps those who need it as well as the environment.

ENGAGEMENT

At InterContinental Genève, we don’t believe it’s enough to simply preach sustainability, we actively work towards it in engaging ways. By implementing recycling bins and programs like Greener Stay, Giving for Good Month and Sustainable Tourism, we’re making a difference by reducing waste, conserving energy and water.
