# SIGNATURE CUISINE & LONG DRINK ATELIER

Chef Melissa Ravel brings her personal, feminine touch to the 100% gourmet bistro cuisine. She has chosen to work with a small menu based exclusively on seasonal products to give pride of place to small producers and showcase the diversity of France's terroirs

The bar shakes things up as well, thanks to a team of passionate bartenders and an innovative menu. Gin makes the top of the list, including several varieties infused with herbs from the hotel garden. This is followed by long drinks and selected wines carefully chosen from independent winegrowers.
