## CREATIVE SPACES – SOCIAL AREAS FOR NEW IDEAS

New spaces feed new ideas. That was the guiding thought when we developed our Creative Spaces where you can conduct meetings, brainstorm, team build and do workshops in environments that makes it easy for the mind to think freely and creatively. We call it "Meeting Unusual" and it doesn't matter whether you're a team of 20, 60 or 650 participants. We will adapt our offer to best meet your needs. In addition to world-class service, you can add access to everything on offer at the hotel in terms of activities, wellness, night sleep, good food and beverages.
