## INSIDER COLLECTION

Our insider collection is a range of services that you can choose from to add to any meeting or conference. The InterContinental Amstel Amsterdam offers its own selection which is carefully chosen and designed to inspire delegates, ensuring that each event reflects the best of its location.

### INSIDER LOCATIONS

Make your business event complete and enjoy a visit to our Health Club, in which you can have a work-out under the guidance of a personal trainer, or a relaxing swim in the pool. Also a nice suggestion is to organize a boat tour with one of our classic boats for the whole party. Our three boats, moored alongside the hotel, are hundred-year-old classic saloon boats. They were lovingly restored about a decade ago and have been fully equipped with modern comforts. They run solely on electricity. The boats are perfect for business or festive tours through Amsterdam's network of canals or you can use them as hop off hop on boat. A private dinner venue or a meeting on a boat is also very inspiring. With pleasure we can take care of all your catering wishes.

### INSIDER SPEAKERS

The hotel organizes historical tours on regular basis. These tours will tell you more about the historical building and about some interesting anecdotes of guest experiences. If you would like a combination of an 'Amstel tour' and an Amsterdam experience, every wish can be fulfilled. With pleasure we arrange a private guide which will take your guests to various sightseeing highlights in the city.

### INSIDER INTERACTIONS

If you're looking for something more interactive, we gladly organize a workshop during your business event. This can range from a cocktail workshop in the A Bar to a pastry workshop with one of our pastry chefs.

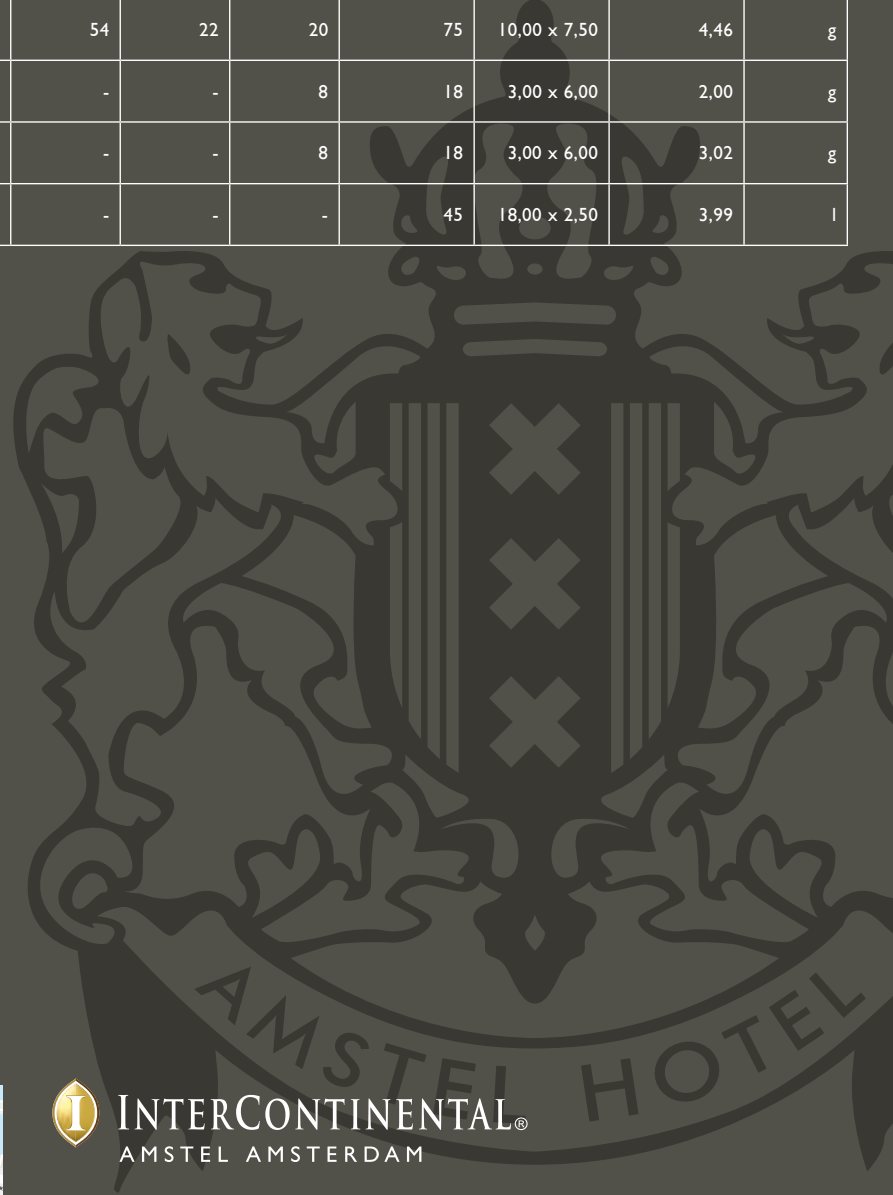

### INSIDER COMMUNITY

The future lies in our own hands. That's why we shouldn't condone waste, for example, and take steps ourselves for running our business responsibly. It's not a case of doing something substantial, many small changes are just as important. We have many local partners which assist us and together we can make your event even more special and sustainable. We are proud to have the Green Globe certificate.

### INSIDER BREAKS

The meeting breaks can also be adjusted to your preference. Whether you like an assortment of sandwiches or pastries with your own logo or a special workshop. Your event will be customized to way you want it to be, of course also a special Dutch or Amsterdam flavour is possible.
