## Civil Ceremony

A different option to the more traditional church wedding is to have a civil Ceremony here at The Nottingham Belfry. Nowadays a lot of couples prefer this option, as it enables both them and their guests, many of whom are not from the local area, to spend the whole day at a venue and not a large proportion of it travelling between locations.

### Charges

There is a room hire charge of £350.00 to use a room for your civil ceremony. The venue charge included all the requirements as specified by the Registrar and a music system to play your choice of music (which must be approved by the Registrar in advance) during the ceremony. A pedestal flower arrangement and a posy arrangement can be arranged at an additional cost

Please find detailed below the rooms available and maximum capacities

Nelson suite: Civil Ceremony 200
