THE REASONS TO CHOOSE BORDEAUX

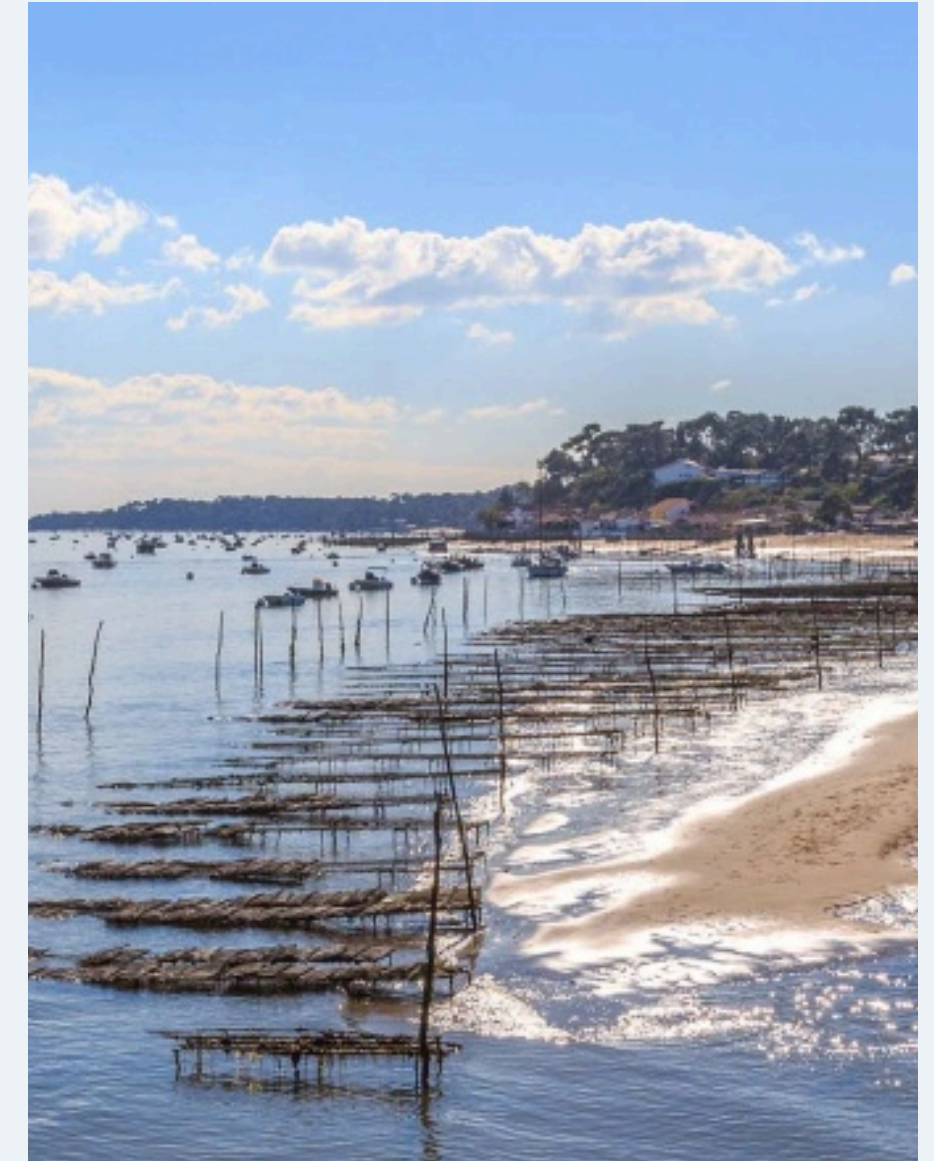

Discover the historic center of Bordeaux, a UNESCO World Heritage site. Explore the city on a cruise or let you surprised by a wine tasting.

Embark on an immersive experience in the heart of the City of Wine, a unique cultural site.

Enjoy a convivial moment and discover Bordeaux wines through wine tourism and tasting workshops.

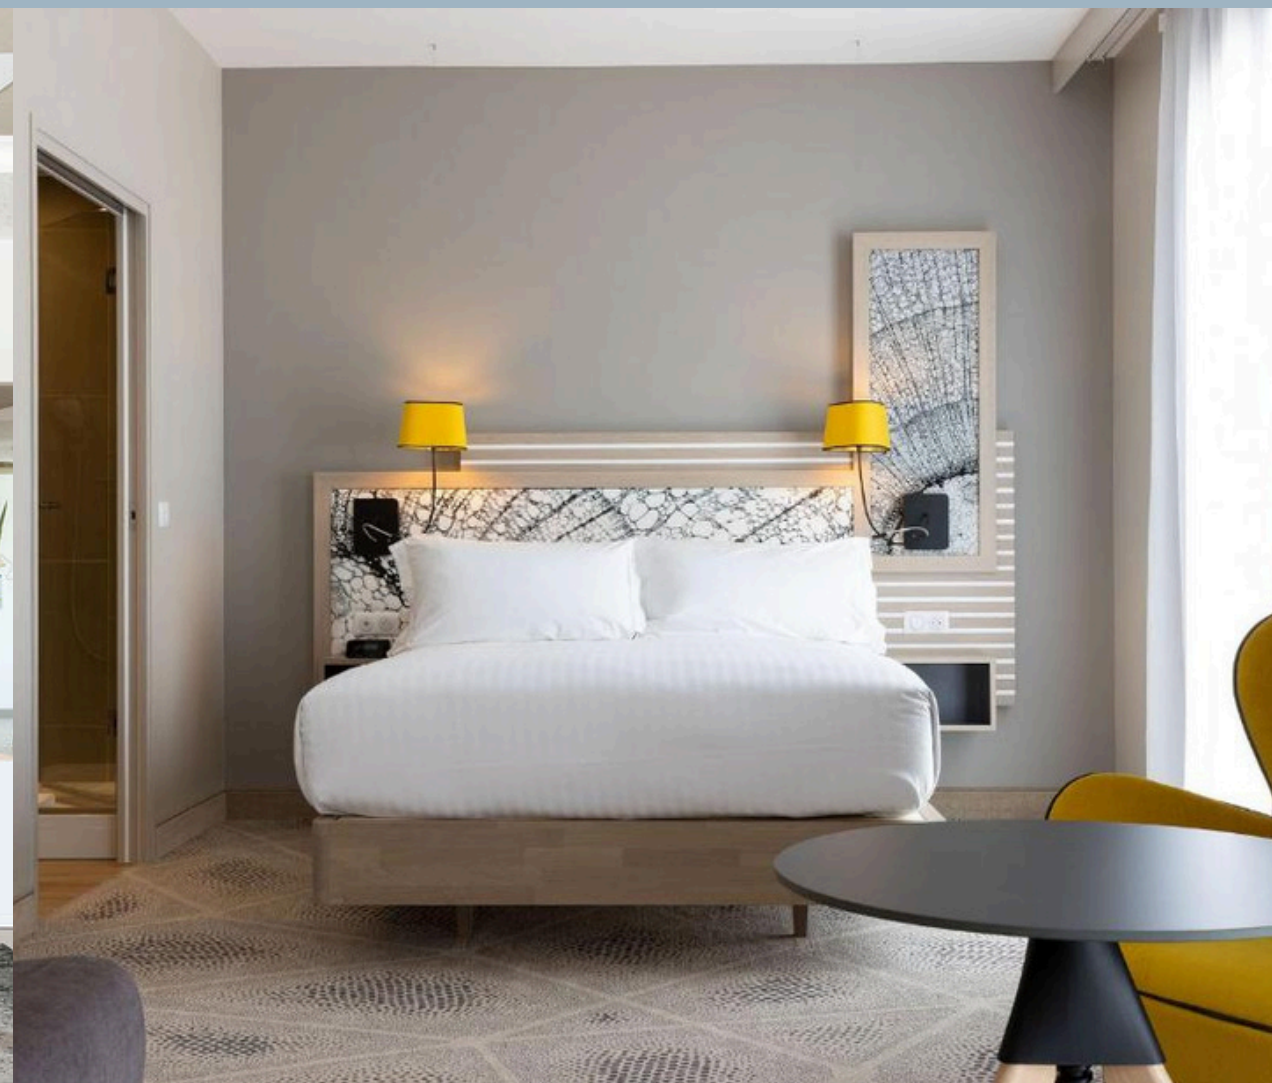

Explore the Bassin d'Arcachon, climb the Dune du Pyla and visit the Cap Ferret peninsula and its various oyster-farming villages.

An aerial photograph of a vineyard and a chateau in Bordeaux, France. The foreground is dominated by a vast, lush green vineyard with rows of grapevines. In the middle ground, a large, light-colored chateau with a prominent tower and multiple windows sits on a green lawn. To the left of the chateau, there are more vineyards and some trees. In the background, a residential area with many houses and a road are visible under a cloudy sky.
