

## WELCOME TO

The Sheraton Istanbul Atasehir Hotel, located in the heart of this modern suburban district, only 1 kilometer from the site of the Istanbul Finance Center development. Ulker Sports Arena (Fenerbahce Basketball Stadium) is within walking distance. Several freeways and bridges are nearby, and the hotel is only 26 kilometers from Sabiha Gokcen International Airport (SAW).

Although Atasehir has historically been a largely residential area, it has recently began hosting the headquarters and offices of numerous multinational corporations. The completion of Marmaray Station and the Kadikoy - Kartal metro line improved transportation to this area.
