FIRE AND LIFE SAFETY INFORMATION:

We have taken every precaution to ensure your comfort and safety. However, in the unlikely event of an emergency, it is imperative that everyone in the building is familiar with our required life safety regulations:

- Prior to the start of your conference, please take a few minutes to locate all the emergency fire exits in your area. Please refer to the evacuation plan available in the meeting room.
- In case of fire, you can activate the nearest fire alarm by pulling the handle of the manual pull station located beside the emergency exits.
- In case of evacuation, you will be instantly notified by an automatic voice message requesting you to leave the building through the nearest emergency exit.
- On exiting the building:
 - Please follow the emergency exit signs which will direct you to the assembly point. You will also be assisted by a member of our staff.
 - DO NOT USE THE ELEVATORS, please use the emergency stairs holding the handrails while walking down the stairs.
- To report an emergency, please press the Emergency button on the telephone set, dial 555 or break the glass if the emergency telephone at the emergency exit, press the button and report your name and emergency status.

MEETING ROOM EQUIPMENT:
